Youth Employment and Skills in Asia-Pacific and ASEAN

The Asia-Pacific region contains 60% of world's youth population, or 750 million young persons aged 15 to 24 years.

383 million youths in ASEAN (about 61% of total population)

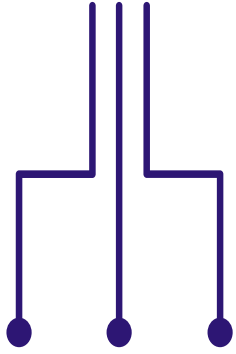

There were 2.8 million unemployed persons aged 15-24 as compared to 75 million unemployed persons in Asia-Pacific as compared to the EU-27 in 2019

ASEAN youths are highly aware of potential disruptions and challenges that the Fourth Industrial Revolution may bring to their employment prospects:

- 9.2% of youths believe their current skills are already outdated.
- A further 52.4% believe they must upgrade their skills constantly.
